

00910-05

Correction to Preliminary Amendment of December 14, 2005

REMARKS

This response is being filed pursuant to the Notice of Non-Compliant Amendment mailed April 12, 2006. It was indicated in the Notice that the new paragraph which had been requested to be added to page 1 as the first paragraph in the Preliminary Amendment filed December 14, 2005 was underlined. The underline has been removed herein at page 2 of this Correction in the section entitled "IN THE SPECIFICATION". Applicants assert that the paragraph is now in compliance with PTO amendment practice.

To this end, Applicants respectfully submit that the subject application is a national stage filing of International Application No. PCT/US2004/019181, filed on June 17, 2004. Applicants respectfully submit that the proposed amendment to the Specification introduces no new matter and is fully supported by the application as originally filed.

The claimed invention is believed to be patentable and applicants request passage of the application to issuance.

The Examiner is invited to contact the Applicants' attorney to discuss any matter concerning this application.

Please charge any excess fees due and credit any overpayment to Charge Account No. 50-0423.

Respectfully submitted,

May 12, 2006
